

COVID-19 CHECK LIST

- Please participate only if you feel completely healthy (otherwise join us online)
- Wear FFP2 masks in all public spaces
- Please bring your **proof of vaccination**
- **On the first day of the conference, Tuesday September, 28, every participant will be PCR tested (sample drop off before 10am)**
- The results will be provided early afternoon. If no virus is detected, you can take off your mask in the Lecture hall and we can enjoy a nice carefree evening
- This test will also be valid for the second day of the conference

VBC participants:

- Please perform your COVID-19 testing on Tuesday at home as usual, note your 10-digit sample ID (by writing it down or taking a photo)
- **Drop off** your sample at the **VBC participant registration desk - 10am latest** (IMP Foyer) and show your proof of vaccination

External participants (non-VBC):

- Please show your proof of vaccination at the external participant registration desk in front of the IMP entrance (corner Viehmarktgasse).
- You will receive the **COVID-19 testing kit** with instructions and we note your sample ID.
- Step a few meters to the side (still outside) and perform the gargle test
- **Drop off** your sample at the **external participant registration desk- 10am latest**
